**THE IOWA SCHOOLS JOINT INVESTMENT TRUST
(ISJIT)**

The Iowa Schools Joint Investment Trust ("ISJIT") is a professionally managed common law trust organized and operated as a diversified open-end investment management company and created with the objective of providing Iowa schools (the "Participants") a convenient method for investing their funds in a manner that will maximize current income consistent with safety of principal and the required degree of liquidity for operating funds.

ISJIT has been established under Iowa law pursuant to Iowa Code chapter 28E and Section 279.29, Iowa Code (1985), as amended, which authorizes Iowa public entities to jointly invest monies pursuant to a joint investment agreement. ISJIT was established by adoption of a Joint Powers Agreement and Declaration of Trust establishing the Iowa Schools Joint Investment Trust as of October 1, 1986 and amended as of November 1, 1988 and May 1, 1993 (the "Declaration"). An Iowa school corporation whose board of directors is a member of the Iowa Association of School Boards, or any other lawful entity can become a Participant in ISJIT by submitting an application and a certified copy of the form of authorizing resolution contained therein to Iowa Schools Joint Investment Trust, c/o Iowa Association of School Boards, 6000 Grand Avenue, Des Moines, IA 50312-1417. See "Instructions and Application Form".

ISJIT is a Moody's Investors Service rated money market fund pursuant to the requirements of Iowa Code § 12B.10 (the "Iowa Investment Statute").

This Information Statement provides detailed information about ISJIT and its investment and operating policies. Please read it carefully and retain it for future reference. Additional information, a copy of the Declaration, and further assistance regarding becoming a Participant in ISJIT may be obtained by calling the ISJIT toll free number, (800) 872-0140, or by contacting the Iowa Schools Joint Investment Trust, c/o Iowa Association of School Boards, 6000 Grand Avenue, Des Moines, IA 50312-1417. This Information Statement is qualified in its entirety by reference to the text of the Declaration.

RATED

ISJIT is voluntarily rated as a money market fund by Moody's Investors Service as a result of the Iowa Investment Statute requirement that a joint investment trust under Iowa law that invests public funds must either obtain a rating for its securities of not less than one of the two highest rating classifications by at least one of the standard rating services specified under Iowa law (a "Rating Agency") or register as an investment company under the Investment Company Act of 1940.

CASH MANAGEMENT ALTERNATIVES

ISJIT issues three separate series of Trust Units in which Participants may invest, referred to as the Diversified Portfolio and the Direct Government Obligation Portfolio, and the Diversified Plus Portfolio (each, a "Portfolio" and collectively, the "Portfolios").

There are no minimum or maximum investments or limitations on redemptions for any Portfolio. Participants may invest any funds in their custody in any Portfolio. The Portfolios are operated according to investment and accounting standards which are required of bond proceeds subject to arbitrage rebate and which conform to the requirements of Moody's Investors Service for "money market funds." Only funds of Participants may be invested in ISJIT.

DIVERSIFIED PORTFOLIO - The Diversified Portfolio is a professionally managed portfolio of U.S. government and Federal Agency securities, collateralized certificates of deposit of Iowa financial institutions and collateralized perfected repurchase agreements as more fully described below. All such securities have final maturities of no greater than 397 days from the date of purchase and the Portfolio maintains a maximum dollar weighted average maturity of 60 days or less.

DIRECT GOVERNMENT OBLIGATION PORTFOLIO - The Direct Government Obligation Portfolio is identical in every respect to the Diversified Portfolio except that it is exclusively invested in direct U.S. government obligations and repurchase agreements collateralized by direct U.S. government obligations, as more fully described below. All such securities have final maturities no greater than 397 days from the date of purchase and the Portfolio maintains a maximum dollar weighted average maturity of 60 days or less. Thus, Participants, which may be required by Iowa law or who may wish to confine their short-term investments to these types of instruments, may do so by investing in the Direct Government Obligation Portfolio.

The Diversified Plus Portfolio has suspended activity on January 9, 2009 until further notice.

DIVERSIFIED PLUS PORTFOLIO - The Diversified Plus is identical in every respect to the Diversified Portfolio except that it includes commercial paper and other short-term corporate debt as more fully described below. All such securities have final maturities of no greater than 397 days from the date of the purchase and the Portfolio maintains a maximum dollar weighted average of 60 days or less.

AUTHORIZED INVESTMENTS

The objective of ISJIT, in offering the Diversified, Direct Government Obligation and Diversified Plus Portfolios, is to provide Participants with daily liquidity and the highest possible investment yield consistent with safety of principal and the maintenance of liquidity.

Subject to the specific investment restrictions of the Portfolios described herein, assets of ISJIT will only be invested in securities specifically permitted for Participants under Iowa law, as it now or in the future exists, including the following types of securities and instruments ("Permitted Investments").

- (1) Securities issued or guaranteed as to payment of principal and interest by the U.S. Government. These include, for example, Treasury bills, bonds, and notes that are direct obligations of the U.S. Government.
- (2) Obligations issued or guaranteed as to payment of principal and interest by agencies or instrumentalities of the U.S. Government. Such agencies and instrumentalities include, for example, Federal Intermediate Credit Banks, Federal Home Loan Banks, the Federal National Mortgage Association and the Farmers Home Administration. Such securities will include those supported by the full faith and credit of the United States Treasury or the right of the agency or instrumentality to borrow from the Treasury, as well as those supported only by the credit of the issuing agency or instrumentality.

- (3) Collateralized perfected repurchase agreements secured by securities in the immediately foregoing categories. A repurchase agreement involves the sale of such securities to ISJIT with the concurrent agreement of the seller to repurchase them at a specified time and price to yield an agreed upon rate of interest. The securities collateralizing the agreement are held in custody and are regularly verified by the ISJIT Custodian and are maintained daily in an amount equal to at least 102 percent of the agreement.
- (4) Certificates of Deposit ("CDs") in Iowa financial institutions. Each CD that ISJIT places with an Iowa institution on behalf of the Participants in ISJIT is insured by the FDIC for the first \$250,000 of value. All amounts in excess of \$250,000 in an Iowa institution are protected by provisions in the Iowa Code. The acceptance of public funds by a financial institution constitutes agreement by the financial institution to pledge collateral as required by Iowa Code section 12C.22, consent by the financial institution to the disposition of the collateral pledged by the financial institution, consent by the financial institution to assessments by the treasurer of the State of Iowa, and agreement by the financial institution to provide accurate information and to otherwise comply with the requirements of Iowa Code chapter 12C and chapter 13.
- (5) Commercial paper or other short-term corporate debt that matures within two hundred seventy days and that is rated within the two highest classifications, as established by at least one of the standard rating services approved by the Iowa superintendent of banking provided that at the time of purchase no more than five percent of all amounts invested in commercial paper and other short-term corporate debt shall be invested in paper and debt rated in the second highest classification, and provided further that at the time of purchase no more than ten percent of the investment portfolio shall be in these investments and that at the time of purchase no more than five percent of the investment portfolio shall be invested in the securities of a single issuer.

Every Permitted Investment shall be purchased on a delivery versus payment ("DVP") basis. No other settlement procedure shall be allowed.

MAXIMUM CURRENT INCOME - Because of the participation of many Iowa schools in ISJIT and the large pool of funds resulting therefrom, ISJIT can purchase securities in larger denominations, thereby improving yields and reducing transaction costs. ISJIT's size and experience also permits the selection of securities maturing at various times which can enhance average portfolio yields. These strategies, implemented by a full-time professional portfolio manager will maximize the current returns earned by ISJIT.

Generally, the yields on direct and guaranteed U.S. government obligations are less than those on Federal Agency securities and other Permitted Investments. Thus, the returns earned by Participants that elect to invest in the Direct Government Obligation Portfolio may also be lower.

RISK AND MANAGEMENT OF RISK

While investments by ISJIT will be confined to the highest quality securities and instruments with varying short-term maturities, the complete elimination of risk is not possible. It is possible that large redemptions of Trust Units in the Portfolios could necessitate the sale of some Portfolio investments prior to maturity at current market prices. If market values have declined, a reduction in Unit value could result at the time of redemption.

MANAGEMENT POLICIES AND PROCEDURES - Following are the fundamental management policies and procedures for ISJIT. All securities are maintained in separate ISJIT Custodial accounts at Bankers Trust Company, segregated by Portfolio on behalf of ISJIT Participants.

- (1) ISJIT investment procedures require that each purchase of a security be handled on a DVP basis. Funds for the purchase of an investment shall not be released to the seller until the security is delivered to the ISJIT Custodian. Conversely, a sold security shall not be released to the buyer until funds for the purchase price of the security have been received by the ISJIT custodian.
- (2) ISJIT investment procedures prohibit "free delivery" transactions. The Custodian shall never release assets from the ISJIT custodial accounts until the funds for the investment are delivered. Prohibiting "free delivery" settlements precludes movement of ISJIT program investments or funds to a third party anywhere.
- (3) Any material deviation (greater than .5 percent) from the amortized cost of investments shall be promptly reported by the Investment Adviser to the Board of Trustees. If such deviation exceeds .5 percent, the Investment Adviser will consider what action, if any, should be initiated to reasonably eliminate or reduce material dilution or other unfair results to Participants. Such action may include redemption of Trust Units in kind, selling portfolio securities prior to maturity, withholding distributions or utilizing a net asset value per Trust Unit based upon available market quotations.
- (4) The frequent trading of securities, including day trading for the purpose of realizing short-term gains, the purchase and sale of futures and options to buy or sell authorized investments, reverse repurchase agreements, and other similar speculative or derivative transactions are expressly prohibited.
- (5) ISJIT may not make any investment other than Permitted Investments authorized by the provisions of the law applicable to the investment of funds by the Participants, as such laws may be amended from time to time.
- (6) ISJIT may not purchase any Permitted Investment for the Diversified or Direct Government Obligation Portfolios which has a maturity date more than 397 days from the date of purchase unless subject to a perfected repurchase agreement.
- (7) ISJIT may not purchase any Permitted Investment if the effect of such purchase by ISJIT would be to make the average dollar weighted maturity of either the Diversified, Direct Government Obligation Portfolios or Diversified Plus Portfolios greater than sixty (60) days; provided, however, that in making such determination, the maturity of any Permitted Investment shall be determined as set forth under 6 above.
- (8) ISJIT may not borrow money or incur indebtedness whether or not the proceeds thereof are intended to be used to purchase Permitted Investments;

(9) ISJIT may not make loans, provided that ISJIT may make Permitted Investments;

(10) ISJIT may not purchase securities or shares of investment companies or any entities similar to ISJIT.

The restrictions set forth above are fundamental to the operation and activities of ISJIT and may not be changed without the affirmative approval in writing of a majority of the outstanding voting securities of Participants of ISJIT, except that such restrictions may be changed by the Trustees so as to make them more restrictive when necessary to conform the investment program and activities of ISJIT to the laws of the State of Iowa and the United States of America as they may from time to time be amended.

ISJIT may invest in Certificates of Deposit issued by Iowa financial institutions.

The Trust's Investment Adviser provides a financial assessment of each non-rated ISJIT depository to the ISJIT Board of Trustees comparing that Depository's financial ratios to those of other Iowa and regional financial institutions whose securities are rated in the highest rating category for short-term debt obligations. Pursuant to this credit analysis, each ISJIT depository's Certificates of Deposit are deemed to be eligible investments per Moody's Investors Service criteria and to present minimal credit risk of default based upon the credit analysis. The ISJIT Board of Trustees has directed ISJIT's Investment Adviser to monitor the credit quality of all ISJIT depositories on an ongoing basis and to advise the Board of any deterioration of credit quality of any ISJIT depository relative to rated institutions. The acceptance of public funds by a financial institution constitutes agreement by the financial institution to pledge collateral as required by Iowa Code section 12C.22, consent by the bank to the disposition of the collateral, consent by the financial institution to assessments by the Treasurer of the State of Iowa, and agreement by the financial institution to provide accurate information and to otherwise comply with the requirements of Iowa Code chapter 12C and chapter 13. There is no assurance that the provisions in the Iowa Code for public deposits will be sufficient in case of bank failure.

In addition to the fundamental restrictions and procedures set forth above, as a condition of providing services to ISJIT, ISJIT presently requires that the ISJIT Custodian and Investment Adviser maintain fidelity and errors and omissions insurance coverage for ISJIT's benefit for all services provided to ISJIT.

MATURITY OF ISJIT INVESTMENTS - Each of the Portfolios strictly adheres to Iowa law and Moody's Investors Service criteria for money market mutual funds, developed to minimize risk that the value of investments in a portfolio might vary. ISJIT investment policy as set forth above presently limits portfolio investments to the following:

- (1) The remaining maturity of any individual investment may not exceed more than 397 days from the date of purchase.
- (2) The maximum dollar weighted average maturity of all ISJIT investments may not exceed 60 days.
- (3) Investments are monitored daily by its Investment Adviser and Administrator to assure that the value of each ISJIT investment does not materially deviate in value from its amortized cost.

MAINTENANCE OF LIQUIDITY - ISJIT investments in the Diversified, Direct Government Obligation and Diversified Plus Portfolios will generally be confined to securities maturing at various times within 397 days from the date of purchase as previously described. Because of their relatively short maturities, high quality, and minimal price fluctuations, ready markets will exist for liquidating all securities in which ISJIT will invest.

As a general policy, the Portfolios will hold investments until they mature. However, in an effort to increase yields, ISJIT may sell securities and realize capital gains when there are perceived disparities between maturities for various categories of investments. Summaries of all securities trades are regularly provided to the Board of Trustees by the Investment Adviser.

INVESTING IN ISJIT PORTFOLIOS

PORTFOLIO INVESTMENTS - To become a Participant in ISJIT, the school corporation must adopt the Form A Resolution included in the Instructions and Application Form attached hereto, or otherwise provided by ISJIT. The Resolution authorizes the school corporation to become a Participant, adopts the Declaration, and designates officials of the school corporation authorized to execute transactions with ISJIT. Following adoption of the Resolution, the school corporation must complete and forward the Investment Trust Application Form B along with the Form A and Form A Certificate to ISJIT, c/o Bankers Trust Company, 453 7th Street, P.O. Box 897, Des Moines, IA 50304-0897. See "Instructions and Application Form".

Investments may be made in the Diversified, Direct Government Obligation or Diversified Plus Portfolio at the net asset value per Unit next determined after an investment order has been received. The net asset value of Portfolio Units is determined once daily at the close of the New York Stock Exchange (currently 3:00 p.m., Central Standard Time).

INVESTMENTS BY BANK FUNDS TRANSFER - A Participant may authorize Bankers Trust Company to cause monies to be transferred, by means of the Iowa Automated Clearinghouse System ("ACH"), from the Participant's local bank to ISJIT. The Participant may also have its local bank wire federal funds directly to Bankers Trust Company, all as indicated herein.

A Participant has the ability to invest in a Portfolio by the following methods:

- (1) An authorized official may make an investment by entering the transaction on ISJIT Online. ISJIT Online provides on-line internet access to the Participant's ISJIT accounts and allows Participant's to make an investment for the next business day by transferring funds by Automated Clearing House System (ACH) or wire. Transactions for next business day settlement must be entered by 3:00 p.m.
- (2) An authorized official may telephone ISJIT at (800) 872-0140 and furnish the school's name, name of person calling, the ISJIT account number, the amount being invested, and the account number from which the funds are to be transferred. A request for the ISJIT investment to be transferred by ACH must be made by 3:00 p.m.

- (3) To make an investment by wire transfer, an authorized official must notify an ISJIT representative by 10:00 a.m., furnishing the information described above. The Participant must also instruct its local financial institution to wire funds to the ISJIT Custodian with the following instructions:

Bankers Trust Company, Des Moines
ABA #073000642
Credit #033030
Iowa Schools Joint Investment Trust
(Further credit to Participant Name and ISJIT account number)

- (4) A Participant may invest in ISJIT Portfolio Units by mailing a check or other bank draft to the ISJIT Administrator, however, this option is not recommended since the ISJIT account will not be posted the same day the check is received. Please call (800) 872-0140 and an ISJIT representative will assist you.

INCOME DISTRIBUTIONS - Net income for each Portfolio of ISJIT is declared each business day for Participants of record immediately before 3:00 p.m. Central Standard Time. Income distributions are accrued to Participants' accounts daily and reinvested in additional Trust Units monthly for compounded interest. Total distributions for the previous month are credited to Participants' Diversified Portfolio, DGO Portfolio and Diversified Plus accounts by the last business day of each month. Distributions are automatically reinvested in ISJIT Portfolio Trust Units unless cash payment has been requested. Cash payments, if requested, will be made monthly. If a Participant redeems the entire amount in its account during the month, income distributions accrued to the account from the beginning of the month through the date of redemption are paid into the account the last business day of the following month.

REDEEMING ISJIT PORTFOLIO TRUST UNITS

PORTFOLIO WITHDRAWALS - ISJIT Portfolio Trust Units may be redeemed on any day on which the New York Stock Exchange is open for trading, on which the Administrator computes the net asset value of the ISJIT Portfolios and which is not a federal holiday or a holiday officially observed by commercial banks in Iowa. ISJIT Portfolio Trust Units will be redeemed at the net asset value next determined after a withdrawal request in good order is received by the Administrator at offices in Des Moines.

Proceeds from the redemption of ISJIT Portfolio Trust Units will be transmitted to the Participant's local financial institution by means of the ACH System or by the Federal Reserve wire system. No charge will be made for the ACH transfer of Participant's funds; however, local financial institutions may reserve the right to charge for an incoming wire transfer. Proceeds can also be paid by check to the registered Participant and mailed to the Participant's address of record.

Proceeds from the redemption of ISJIT Portfolio Trust Units which have been paid for by check may not be transmitted to the Participant's financial institution by wire for up to a maximum of 7 days after the ISJIT Administrator has been informed that the Participant's check has cleared, but in no event for more than 15 days after the Units have been issued and outstanding.

A Participant has the ability to redeem ISJIT Portfolio Trust Units by the following methods:

- (1) An authorized official may make a redemption by entering the transaction on ISJIT Online. ISJIT Online provides on-line internet access to the Participant's ISJIT accounts and allows Participants to make a redemption for the next business day and request that funds be transferred by Automated Clearing House System (ACH) or wire. Transactions for next business day settlement must be entered by 3:00 p.m.
- (2) An authorized official may redeem ISJIT Portfolio Trust Units by telephoning (800) 872-0140 and furnishing the school district's name, name of person calling, the ISJIT account number, the amount to be withdrawn, and the account number to which the funds are to be transferred. A request for the ISJIT withdrawal to be transferred by the Automated Clearing House System (ACH), which will be transferred the next business day, must be made by 3:00 p.m.
- (3) To redeem ISJIT Portfolio Trust Units by wire transfer to be effective the same day, an ISJIT representative must be notified by 10:00 a.m. by a Participant's Authorized Official. The Participant must instruct the ISJIT representative to wire funds to its local financial institution. The Participant must provide the wiring instructions, including the local financial institution name, location, account number, and name and telephone number of a contact person at that financial institution.
- (4) A Participant may redeem all or a portion of its ISJIT Portfolio Trust Units by instructing the Administrator by letter mailed to the following address: ISJIT, c/o Bankers Trust Company, 453 7th Street, P.O. Box 897, Des Moines, IA 50304-0897. This redemption request must be in good order indicating the dollar amount or number of ISJIT Portfolio Trust Units to be redeemed, the method of redemption (i.e., ACH, check) and signed by an authorized official of the school.

VALUING ISJIT PORTFOLIO TRUST UNITS

The net asset value of ISJIT Portfolio Trust Units is determined once each day, as of the close of the New York Stock Exchange (currently 3:00 p.m. Central Standard Time). Except for federal holidays, such other holidays that are officially observed by commercial banks in Iowa, and days on which no investments in or redemption of ISJIT Trust Units occur, the Administrator will compute the ISJIT Portfolio's net asset value on each day the New York Stock Exchange is open for trading or when there is a sufficient volume of trading which might materially affect the net asset value of the securities held by the Portfolios. The net asset value of each Portfolio Trust Unit is computed by adding the value of all securities and other assets (including income receivable), subtracting liabilities (including accrued expenses) attributable to each Portfolio and dividing by the number of Trust Units of each Portfolio outstanding.

The ISJIT Administrator will compute the net asset value of Portfolio Trust Units by using the amortized cost method for valuing securities. Under the amortized cost method a security is initially valued at cost on the date of purchase and, thereafter, any discount or premium is amortized on a straight line basis to maturity, regardless of fluctuating interest rates or the market value of the security. However, the Investment Adviser will establish procedures to stabilize the net asset value of Trust Units at \$1.00 per Trust Unit. These procedures include a review by the

Investment Adviser as to the extent of the deviation of net asset value based upon available market quotations from the Portfolio's \$1.00 amortized cost per value unit. If such deviation exceeds .5 percent, the Investment Adviser will consider what action, if any, should be initiated to reasonably eliminate or reduce material dilution or other unfair results to Participants. Such action may include redemption of Portfolio Trust Units in kind, selling portfolio securities prior to maturity, withholding distributions or utilizing a net asset value per Portfolio Trust Unit based upon available market quotations. If, and only if, the Trustees, with the advice of the Investment Adviser, shall determine that the amortized cost method of determining the net asset value of Portfolio Trust Units no longer represents a fair method of valuation, the Trustees may either permit such net asset value to fluctuate or may reflect the fair value thereof in the number of Trust Units allocated to each Participant.

PORTFOLIO TRANSACTIONS - Subject to policies set by the Trustees, the Investment Adviser is authorized to determine, consistent with the ISJIT investment objectives and policies, which securities will be purchased, sold and held by ISJIT. Most of the securities will be purchased on a principal basis directly from the issuer, from banks, underwriters or market makers and, thus, will not involve payment of a brokerage commission. Such purchases may include a discount, concession or mark-up retained by an underwriter or dealer. The Investment Adviser is authorized to select the brokers or dealers that will execute the purchases and sales of securities and is directed to use its best efforts to obtain the best available price and most favorable execution on brokerage transactions. Some of the transactions may be directed to brokers or dealers who furnish special research and statistical information or services rendered in the execution of orders.

Based on the nature of the investments in both portfolios, ISJIT will invest almost exclusively in non-voting securities. To the extent that ISJIT invests in voting securities, it has delegated the voting of portfolio securities to the Investment Adviser.

CALCULATING YIELD - The yield on Trust Units (a 7-calendar day historical yield) is calculated by first dividing the average daily net income per Portfolio Trust Unit for that 7-day period by the average daily net asset value per Trust Unit for the same period. This return is then annualized by multiplying the result times 365.

EXPENSES OF ISJIT - ISJIT contracts for the following services Administrator, Investment Advisor and Custodian, Marketing and Sponsorship.

ISJIT also pays the operating expenses incurred directly by ISJIT and its Trustees in connection with the discharge of their duties. These expenses include initial and on-going legal fees, checking account service fees, auditing fees, out-of-pocket expenses of Trustees, and the cost of printing, mailing and other services performed independently by ISJIT. The maximum expense fee is estimated at an annual rate of 0.10 percent of average daily net assets.

The maximum fee for all services, sponsorship, and expenses is 0.3950%, but may be reduced either contractually or with the approval of the portfolios' service providers. Pursuant to the Trust's Sponsorship Agreement, a sponsor fee computed at a maximum annual rate of 0.08 percent of the average daily net assets of the Portfolios is payable to the Iowa Association of School Boards ("IASB"). These fees are based upon the average daily net assets of the respective Portfolios and are accrued daily and paid monthly.

Expenses directly attributable to a Portfolio are accrued against the respective Portfolio. Expenses not attributable to a particular Portfolio ("general expenses") are allocated to the Portfolios pro rata based upon the relative net asset value of the Portfolios. These fees and operating expenses are subject to adjustment and renegotiation as determined by the Board of Trustees and the terms of the contracts with the service providers. For the fiscal year ending June 30, 2009, the ratio of expenses to average net assets for Diversified and Direct Government Obligation was 0.29 percent, 0.31 percent, respectively.

CHECKING SERVICE PROGRAM – ISJIT has established checking account services for all ISJIT participants for funds drawn on such checks to clear through the Diversified Portfolio account, with service fees, including fees for participants, to be paid by the fund.

TRUSTEES AND OFFICERS

The Board of Trustees has full and complete control over the business and assets of ISJIT, subject to the rights of ISJIT Participants as provided in the Declaration.

There are six voting members of the Board of Trustees. Dr. Maxine M. Kilcrease, the Executive Director of the Iowa Association of School Boards, Inc. serves as an ex officio nonvoting member of the Board of Trustees and, pursuant to the By-laws, is Secretary for the Board. The Assistant Secretary is Kevin Schick of the Iowa Association of School Boards, Inc.. The names, affiliations and positions of the Board members are set forth below:

Name	Affiliation	Position
Jack Hill	North Scott	Chair
Amy Jurrens	George-Little Rock	Member
Dr. Maxine M. Kilcrease	IASB	Secretary
Greg Reynolds	Keokuk	Treasurer
Kevin Schick	IASB	Assistant Secretary
Gary Sinclair	Dallas Center-Grimes	Member
Tom Wieseler	Mt. Vernon	Vice Chair

Of the six voting Trustees, four Trustees must be persons who are school board members and members of the board of directors of the Iowa Association of School Boards; one must be a school superintendent; and one must be a school business official. The Chairman, Vice Chairman, and Secretary serve on an Executive Committee. The Executive Committee may exercise all of the authority of the Board of Trustees except that the Executive Committee cannot create a new portfolio or series of units or change investment policies. Ex Officio Trustees have no voting power in connection with any actions that the Trustees may take on behalf of ISJIT. The Trustees have legal title to the assets of ISJIT for the benefit of the Participants. In their capacity, the Trustees function on behalf of the Participants, as the agents and fiduciaries of the Participants, to implement and administer the Declaration, as an agreement among the Participants.

Trustees are elected to terms with staggered, annual expiration dates over three years. In each year, the Participants or the Trustees (as described in the following paragraph) will elect two Trustees to serve for a term of three years. The Declaration provides that two-thirds of the Trustees may, at any time, remove a Trustee from office for cause.

If at any time a Trustee is associated as a school board member, a school superintendent or a school business official, with a school which ceases to be a Participant, such Trustee must resign.

No Trustee (whether voting or non-voting) of ISJIT will receive any compensation from ISJIT, the Investment Adviser, Administrator or Custodian for his or her services. ISJIT will reimburse the Trustees for their reasonable expenses incurred on behalf of ISJIT.

ISJIT refers to the Trustees in their capacity collectively as Trustees and not individually or personally. All persons dealing with ISJIT must look solely to the ISJIT assets for the enforcement of claims against ISJIT. The Trustees, officers and Participants do not assume any liability for obligations entered into on behalf of ISJIT. The Declaration shall not create any right, title, privilege or entitlement in any person, corporation or other legal entity except a Participant and a Person that has a direct and written contract with ISJIT. The terms and conditions of the Declaration are not intended to and shall not be construed to create any cause of action, legal or equitable, in any Person against the Participants, Trustees, officers, employees or agents of ISJIT, except as is provided by specific language in the Declaration or by specific language in written agreements or contracts entered into by the Trustees in implementing ISJIT. It is not intended and the terms of the Declaration shall not be construed so that any breach thereof by Participants, Trustees, officers, employees or agents of ISJIT creates an action at common law, tort, contract or otherwise.

A Trustee is not personally liable for a claim based upon an act or omission of the Trustee performed in the discharge of the Trustee's duties, except for acts or omissions which involve intentional misconduct or knowing violation of the law or for a transaction from which the Trustee derives an improper personal benefit.

The Trustees are responsible for the management of ISJIT, the conduct of its affairs, and the management and distribution of ISJIT assets. However, the Trustees are not required personally to conduct all of the affairs of ISJIT. Consistent with their responsibility, the Trustees have appointed an Investment Adviser, an Administrator, and Custodian and have assigned to them such duties as the Trustees have deemed appropriate with regard to the investment, administration, record keeping, and custody of monies and investments of ISJIT.

The Executive Director of IASB serves as Secretary of ISJIT. The Sponsor Agreement is approved annually by the Trustees.

TAXES

ISJIT is of the opinion that ISJIT is not subject to Federal or Iowa income tax and that distributions received by Participants are not taxable to them.

REPORTS TO PARTICIPANTS

Participants receive an "advice of activity" confirming all transactions processed. Participants will receive a monthly statement summarizing all activity on each account opened with ISJIT. This statement will include a list of all investments currently held by ISJIT for the Participant. In addition, Participants will be provided monthly performance information illustrating historical investment performance and yield. ISJIT will issue unaudited semi-annual reports which will include a list of securities owned by ISJIT and complete financial statements. It will also issue an annual report containing a financial report audited by the ISJIT independent auditors, Brooks Lodden P.C.

DECLARATION OF TRUST

ISJIT was established as of October 1, 1986, as a common law trust under the laws of the State of Iowa by the adoption and execution of a Joint Powers Agreement and Declaration by the Iowa Association of School Boards, the Southeast Polk Community School District and the Pella Community School District, which served as the initial Participants. Additional Iowa schools (including 28E organizations) whose boards of directors are members in good standing of the Iowa Association of School Boards, Inc., may become Participants in the manner described in this Information Statement. The Declaration was amended November 1, 1988 and May 1, 1993, and restated as of May 1, 1993.

Each potential Participant is given a copy of the Declaration before it becomes a Participant. The summary of the Declaration given herein is qualified in its entirety by reference to the full text of the Declaration.

DESCRIPTION OF TRUST UNITS - The Declaration authorizes an unlimited number of full and fractional Trust Units which may be issued in series. All Trust Units of each series participate equally in the allocation of distributions and have equal liquidation and other rights pertaining to that series. The Trust Units have no conversion, exchange or preemptive rights.

For all matters requiring a vote of Participants, each Participant on the date of record is entitled to one vote. No Trust Units may be transferred to any transferee other than ISJIT itself at the time of redemption.

PARTICIPANT LIABILITY - The Declaration provides that Participants will not be subject to any liability whatsoever in tort, contract or otherwise to any other person or persons in connection with ISJIT property or the affairs of ISJIT. Any Participant made a party to any suit or proceedings to assert or enforce any such liability shall not on account thereof be held to any personal liability.

TERMINATION OF THE DECLARATION - ISJIT may be terminated by a majority of the Participants or by an instrument in writing, without a meeting, signed by a majority of the Trustees and consented to by not less than a majority of the Participants.

AMENDMENT OF THE DECLARATION - The Declaration may be amended at any meeting of Participants or by an instrument or instruments in writing, by the affirmative vote or signed approval of a majority of the Participants of ISJIT. The Trustees, from time to time, by a two-thirds vote of the Trustees and after fifteen days prior written notice to the Participants, may amend the Declaration without the vote or consent of the Participants, to the extent they deem necessary to conform the Declaration to the requirements of applicable laws or regulations, or any interpretation thereof by a court or other governmental agency; but the Trustees shall not be liable for failing to do so.

WITHDRAWAL - A Participant may withdraw from ISJIT at any time by notifying the Trustees as specified in the Declaration.

DEFINITIONS - Unless otherwise expressly defined herein, words that are capitalized in this Information Statement have the meaning defined in the Joint Powers Agreement and Declaration.
