In that regard, the securities in the Diversified Portfolio shall be valued at their amortized cost unless the Adviser shall advise the Board of Trustees, and the Board of Trustees shall thereafter determine, that some other method of valuation is appropriate. The Board of Trustees may adopt additional rules, procedures and policies not inconsistent with the provisions of this Declaration of Trust, relating to the operation of the Diversified Portfolio, and shall include a general description thereof in the Information Statement, as it may exist from time to time.

(c) There is hereby created within the Trust a Direct Government Obligation Portfolio which shall consist exclusively of direct U.S. Government obligations and certificates of deposit and repurchase agreements collateralized by direct U.S. Government obligations. The Direct Government Obligation Portfolio shall be invested, reinvested, and in general operated in a manner which will assure, as nearly as practicable, that the net asset value of each Unit of participation in the Direct Government Obligation Portfolio shall at all times be valued at \$1.00. In that regard, the securities in the Direct Government Obligation Portfolio shall be valued at their amortized cost unless the Adviser shall advise the Board of Trustees, and the Board of Trustees shall thereafter determine, that some other method of valuation is appropriate. The Board of Trustees may adopt additional rules, procedures and policies not inconsistent with the provisions of this Declaration of Trust, relating to the operation of the Direct Government Obligation Portfolio, and shall include a general description thereof in the Information Statement, as it may exist from time to time.

(d) The Trustees may establish additional Portfolios as may be permitted under Iowa law as it presently exists or hereafter may be amended. The Board of Trustees may create additional Portfolios and may adopt additional rules, procedures to govern such additional Units, and policies not inconsistent with the provisions of this Declaration of Trust, and shall include a description thereof in the Information Statement as it may exist from time to time. Provided further, that the Trustees may invest only in Permitted Investments in accordance with the applicable provisions of the law, as may be set forth more fully in the Trust's Investment Policy and Trust Information Statement, as the same may be amended from time to time.

4.2 Restrictions Fundamental to the Trust. Notwithstanding anything in this Declaration of Trust which may be deemed to authorize the contrary, the Trust:

The restrictions set forth in Section 4.2 hereof are fundamental to the operation and activities of the Trust and may not be changed without the affirmative approval in writing of a majority of the Participants entitled to vote, except that such restrictions may be changed by the Trustees so as to make them more restrictive when necessary to conform the investment program and activities of the Trust to the laws of the State of Iowa and the United States of America as they may from time to time be amended.

ARTICLE V

Limitations of Liability

5.1 Liability to Third Persons. No Participant shall be subject to any liability whatsoever, in tort, contract or otherwise to any other Person or Persons in connection with Trust Property or the affairs of the Trust; and no Trustee, officer or employee of the Trust shall be subject to any personal liability whatsoever in tort, contract or otherwise, to any other Person or Persons in connection with Trust Property or the affairs of the Trust; and all such other Persons shall look solely to the Trust Property for satisfaction of claims of any nature arising in connection with the affairs of the Trust. Any Participant, Trustee, officer or employee as such of the Trust made a party to any suit or proceedings to assert or enforce any such liability, shall not on account thereof be held to any personal liability.

Provided, further, that a Trustee is not personally liable for a claim based upon an act or omission of the Trustee performed in the discharge of the Trustee's duties, except for acts or omissions which involve intentional misconduct or knowing violation of the law, or for a transaction from which the Trustee derives an improper personal benefit. For purposes of this section, "compensation" does not include payments to reimburse a Trustee for expenses.

5.2 Liability to the Trust or to the Participants. No Trustee, officer or employee of the Trust shall be liable to the Trust or to any Participant, Trustee, officer or employee of the Trust for any action or failure to act (including, without limitation, the failure to compel in any way any former or acting Trustee to redress any breach of trust) except for a claim based upon acts or omissions which involve intentional misconduct or knowing violation of the law, or for a transaction for which the Person derives an improper personal benefit and except that the Adviser Agreement and

the Administrator Agreement shall provide for the liability of the Adviser or the Administrator, as the case may be; provided, however, that the provisions of this Section 5.2 shall not limit the liability of any agent (including, without limitation, the Adviser, the Administrator and the Custodian) of the Trust with respect to breaches by it of a contract between it and the Trust.

5.3 Indemnification. The Trust Estate shall defend, indemnify and hold harmless any Participant, Trustee, officer and employee of the Trust from any and all claims, demands, causes of action, suits, settlements and any other claimed damages, to include reasonable attorney fees, investigative costs, suit fees and other costs associated therewith, arising out of participation in this Trust, implementation of this Declaration of Trust, and any other services rendered to the Trust or Trustees, except those that, also, constitute intentional misconduct or knowing violation of the law or in a transaction for which the Participant, Trustee, officer or employee derives an improper personal benefit or which involves willful misfeasance, bad faith, gross negligence, or reckless disregard of duties.

5.4 Surety Bonds. No Trustee shall, as such, be obligated to give any bond or surety or other security for the performance of any duties.

5.5 Apparent Authority. No purchaser, seller, transfer agent or other Person dealing with the Trustees or any officer, employee or agent of the Trust shall be bound to make any inquiry concerning the validity of any transaction purporting to be made by the Trustees or by such officer, employee or agent or make inquiry concerning or be liable for the application of money or property paid, transferred or delivered to or on the order of the Trustees or of such officer, employee or agent.

5.6 Recitals. Any written instrument creating an obligation of the Trust shall be conclusively taken to have been executed by a Trustee or an officer, employee or agent of the Trust only in his or her capacity as an officer, employee or agent of the Trust. Any written instrument creating an obligation of the Trust shall refer to this Declaration of Trust and contain a recital to the effect that the obligations thereunder are not personally binding upon, nor shall resort be had to the property of, any of the Trustees, Participants, officers, employees, or agents of the Trust, and that only the Trust property or a specific portion thereof shall be bound, and such written instrument may contain any further similar recital which may be deemed appropriate; provided, however, that the omission of any recital pursuant to this Section 5.6 shall not operate to impose personal liability on any of the Trustees, Participants, officers, employees, or agents of the Trust.

5.7 Reliance on Experts. Etc. Each Trustee and each officer of the Trust shall, in the performance of duties, be fully and completely justified and protected with regard to any act or any failure to act resulting from reliance in good faith upon the books of account or other records of the Trust, upon an opinion of counsel or upon reports made to the Trust by any of its officers or employees or by the Adviser, the Administrator, the Custodian, accountants, appraisers or other experts or consultants selected with reasonable care by the Trustees or officers of the Trust.

5.8 Nonliability. This Declaration shall not create any right, title, privilege or entitlement in any person, corporation or other legal entity except a Participant and a Person that has a direct and written contract with the Trust. The terms and conditions of this Declaration of Trust are not intended to and shall not be construed to create any cause of action, legal or equitable, in any Person against the Participants, Trustees, officers, employees or agents of this Trust except as is provided by specific language in this Declaration or by specific language in written agreements or

contracts entered into by the Trustees in implementing this Trust. It is not intended and the terms of this Declaration shall not be construed so that any breach thereof by Participants, Trustees, officers, employees or agents of Trust creates an action at common law, tort, contract or otherwise.

5.9 No Waiver. Nothing in this Declaration of Trust shall be construed as constituting the waiver of any immunity from liability available to the Trust or the Trustees, Participants, officers, employees or agents of the Trust pursuant to any applicable provision of law.

ARTICLE VI

Interests of Participants

6.1 General. The beneficial interest of the Participants hereunder in the Trust Property and the earnings thereon shall, for convenience of reference, be divided into Portfolios with Units of one or more series and a Fixed Term Automated Investment Program.

6.2 Portfolios. Units shall be used to measure the proportionate allocation to the respective Participants of their beneficial interest in the Portfolio in which they are participating. The number of Units of a Portfolio that may be used to measure and represent the proportionate allocation of beneficial interest among the Participants is unlimited. All Units of a particular Portfolio shall be of one class representing equal distribution, liquidation and other rights. The beneficial interest hereunder measured by the Units shall not entitle a Participant to preference, preemptive, appraisal, conversion, or exchange rights of any kind with respect to the Trust or the Trust Property. Title to the Trust Property of every description and the right to conduct any affairs hereinbefore described are vested in the Trustees on behalf, and for the beneficial interest, of the Participants, and the Participants shall have no interest therein other than the beneficial interest conferred hereby and measured by their Units, and they shall have no right to call for any partition or division of any property, profits, rights or interests of the Trust nor can they be called upon to share or assume any losses of the Trust or suffer as assessment of any kind by virtue of the allocation of Units to them, except as provided in Section 10.2 hereof.

6.3 Allocation of Units.

(a) The Trustees shall credit a Participant with additional Units in the Portfolio in which they are participating upon receipt of moneys (including, without limitation, income from the investment of Trust Property) for the account of such Participant, based on the net asset value per Unit as determined pursuant to Section 10.1 hereof. In connection with any allocation of Units, the Trustees may allocate fractional Units. The Trustees may from time to time adjust the total number of Units in a Portfolio allocated without thereby changing the proportionate beneficial interests in the Trust. Units shall be allocated and reduced in number as whole Units and/or one hundredths (1/100ths) of a Unit or multiples thereof.

(b) Units of each Portfolio may be allocated only to a School Corporation which has become a Participant of the Trust in accordance with Section 1.2 hereof. Each Participant may establish more than one account within the Trust for such Participant's convenience.

(c) The minimum amount of money which may be placed in the Trust by a Participant at any one time shall be as determined by the Trustees from time to time. Unless otherwise determined by the Trustees pursuant to this paragraph (c) of this Section 6.3, the minimum amount

of money which may be placed in the Trust by a Participant at any one time shall be One Dollar (\$1.00).

6.4 Evidence of Unit Allocation. Evidence of Unit allocation shall be reflected in the Register maintained by or on behalf of the Trust pursuant to Section 7.1 hereof, and the Trust shall not be required to issue certificates as evidence of Unit allocation.

6.5 Reduction in Number of Portfolio Units to Maintain Constant Net Asset Value. The Units representing an interest in a Portfolio shall be subject to reduction in number pursuant to the procedure for reduction of outstanding Units set forth in Section 10.2 hereof.

6.6 Withdrawals. Moneys may be withdrawn from the Portfolio of the Trust in which a Participant is participating at the option of a Participant, upon and subject to the terms and conditions provided in this Declaration of Trust. The Trust shall, upon application of any Participant, promptly pay to such Participant the amount requested and shall reduce the number of Units of the Portfolio allocated to such Participant to the number of Units which shall reflect such Participants proportionate interest in the net assets of that Portfolio of the Trust after such withdrawal of moneys. The procedures for effecting a withdrawal shall be as adopted by the Trustees and as set forth in the Information Statement of the Trust, as the same may be amended from time to time; provided, however, that such procedures shall not be structured so as to substantially and materially restrict the ability of the Participants to withdraw moneys from the Trust.

6.7 Suspension of Right of Withdrawal; Postponement of Payment. Each Participant, by its adoption of this Declaration of Trust, agrees that the Trustees may, without the necessity of a formal meeting of the Trustees, temporarily suspend the right of withdrawal or postpone the date of payment pursuant to withdrawal requests for the whole or any part of any period (i) during which there shall have occurred any state of war, national emergency, banking moratorium or suspension of payments by banks in the State of Iowa or any general suspension of trading or limitation of prices on the New York or American Stock Exchange (other than customary week-end and holiday closings) or (ii) during which any financial emergency situation exists as a result of which disposal by the Trust of Trust Property is not reasonably practicable because of the substantial losses which might be incurred or it is not reasonably practicable for the Trust fairly to determine the value of its net assets. Such suspension or postponement shall not alter or affect a Participant's beneficial interest hereunder as measured by its Units or the accrued interest and earnings thereon. Such suspension or payment shall take effect at such time as the Trustees shall specify but not later than the close of business on the business day next following the declaration of suspension, and thereafter there shall be no right of withdrawal or payment until the Trustees shall declare the suspension or postponement at an end, except that the suspension or postponement shall terminate in any event on the first day on which the period specified in clause (i) or (ii) above shall have expired (as to which, the determination of the Trustees shall be conclusive). In the case of a suspension of the right of withdrawal or a postponement of payment pursuant to withdrawal requests, a Participant may either (i) withdraw its request for withdrawal or (ii) receive payment based on the net asset value existing after the termination of the suspension.

6.8 Minimum Withdrawal. There shall be no minimum amount which may be withdrawn from the Trust at any one time at the option of a Participant; provided, however, that no request by a Participant for the withdrawal of less than One Dollar (\$1.00) need be honored.

6.9 Defective Withdrawal Requests. In the event that a Participant shall submit a request for the withdrawal of a greater amount than is then credited to the account of such Participant, such request shall not be honored, and each Participant, by its adoption of this Declaration of Trust, agrees that the Trustees shall have full and complete power to withdraw funds from the account of a Participant, and to reduce proportionately the number of Units allocated to such Participant in accordance with Section 6.7 hereof, in an amount sufficient to reimburse the Trust for any fees, expenses, costs or penalties actually incurred by the Trust as a result of such defective withdrawal request.

6.10 Fixed Term Automated Investment Program. Participants may authorize the purchase of Permitted Investments in the Fixed Term Automated Investment Program of the Trust for the account of the Participant. Payment for purchases pursuant to the Fixed Term Automated Investment Program shall be made from i the account of the Participant of the Portfolio designated by the Participant. Interest and principal payments shall be credited to the designated Portfolio account of the Participant. Investments purchased through the Fixed Term Automated Investment Program shall bear fixed rates of interest to be paid to Participants net of Trust expenses and shall have a fixed maturity date.

to the account of the Participant whose beneficial interest in the Trust is represented by such Units or investments pursuant to the Fixed Term Automated Investment Program. Until the Person becoming entitled to receive such amount shall apply for the payment thereof and present any proof of such entitlement as the Trustees may in their sole discretion deem appropriate, the Participant of record to which such Units or investments held pursuant to the Fixed Term Automated Investment Program are allocated shall be deemed to be the Participant to which such Units or investments held pursuant to the Fixed Term Automated Investment Program are allocated for all purposes hereof, and neither the Trustees nor the registrar nor any officer or agent of the Trust shall be affected by any notice of such merger, reorganization, consolidation, bankruptcy, insolvency or other event.

7.4 No Transfers of Units. The beneficial interests measured by the Units shall not be transferable, in whole or in part, other than to the Trust itself for purposes of effectuating a withdrawal of funds. :

10.1 Net Asset Value. The net asset value of each allocated Unit of each Portfolio of the Trust shall be determined at least once on each business day at such time as the Trustees by resolution may determine. The method of determining net asset value shall be established by the Trustees and shall be set forth in the Information Statement as the same may be amended from time to time. The duty to make the daily calculations may be delegated by the Trustees to the Adviser, the Administrator, the Custodian or such other person as the Trustees by resolution may designate.

10.2 Net Asset Value: Reduction of Allocated Diversified Portfolio or Direct Government Obligation Portfolio Units. The Trustees shall have full and complete power to determine the net income (including unrealized gains and losses on the Portfolio assets) of the Trust once on each business day as provided in Section 10.1 hereof and, upon each such determination such net income shall be credited proportionately to the accounts of the Participants in such a manner as shall be set forth in the Information Statement as the same may be amended from time to time. The accounting method used for the determination of the net income of the Trust and the crediting thereof proportionately to the respective accounts of the Participants shall be determined by the Trustees and shall be set forth in the Information Statement as the same may be amended from time to time. The duty to make the daily calculations may be delegated by the Trustees to the Adviser, the Administrator, the Custodian or such other Person as the Trustees by resolution may designate. If, and only if, the Trustees, with the advice of the Adviser, shall determine that the amortized cost method of determining the net asset value of the Diversified Portfolio or Direct Government Obligation Portfolio Units no longer represents a fair method of valuation, the Trustees may either permit such net asset value to fluctuate or may reflect the fair value thereof in the number of Diversified Portfolio or Direct Government Obligation Portfolio Units allocated to each Participant. To the extent of any net loss which exceeds such accrued income, the Trustees may, in such event, reduce the aggregate number of the allocated Diversified Portfolio or Direct Government Obligation Portfolio Units in such a manner as shall be set forth in the Information Statement as the same may be amended from time to time. Each Participant will be deemed to have agreed to

such reduction in such circumstances by its investment in the Trust and its adoption of this Declaration of Trust.

10.3 Supplementary Distributions to Participants. In addition to withdrawals made at the request of individual Participants pursuant to Section 6.6 hereof, the Trustees may from time to time also declare and make to the Participants, in proportion to their respective allocation of Units, out of the earnings, profits or assets in the hands of the Trustees, such supplementary distributions as they may determine. The declaration and making of such supplementary distributions and the determination of earnings, profits, and other funds and assets available for supplemental distributions and other purposes shall lie wholly in the discretion of the Trustees and may be made at such time and in such manner as the Trustees may in their sole discretion from time to time determine. Any or all such supplementary distributions may be made among the Participants of record at the time of declaring a distribution or among the Participants of record at such other date as the Trustees shall determine.

10.4 Retained Reserves. The Trustees may retain from the gross income of the Trust such amount as they may deem necessary to pay the debts and expenses of the Trust and to meet other obligations of the Trust, and the Trustees shall also have the power to establish such reasonable reserves as they believe may be required.

10.5 Fixed Term Automated Investment Program. Each security purchased through the Fixed Term Automated Investment Program will bear a fixed rate of interest and have a fixed maturity date of not less than six months nor more than five years. Such securities, which may be paid for only by the liquidation of Trust Units of the designated account of the Participant, will be held in trust for the account of the Participant by the Custodian. Interest on securities held for a Participant and proceeds realized upon a redemption or sale will be invested in Trust Units which will be credited to the Participant's designated account with the Trust. The method of calculating interest earned on such investments shall be established by rules, procedures and policies adopted by the Board of Trustees, and a general description shall be included in the Information Statement, as it may exist from time to time.

ARTICLE XI.

Custodian

11.1 Duties. The Trustees shall employ a bank or trust company organized under the laws of the United States of America or the State of Iowa having an office in the State of Iowa and having a capital and surplus aggregating at least \$25,000,000 as Custodian with authority as its agent, but subject to such restrictions, limitations and other requirements, if any, as may be contained in the Bylaws of the Trust to perform the duties set forth in the Custodian Agreement to be entered into between the Trust and the Custodian, or as may be imposed by law.

11.2 Appointment. The Trustees shall have the power to select and appoint the Custodian for the Trust. The Custodian Agreement shall provide that it may be terminated at any time without cause and without the payment of any penalty by the Trust on sixty (60) days' written notice to the Custodian.

11.3 Custodian Agreement. In addition to containing such other provisions as the Trustees may deem appropriate, the Custodian Agreement shall provide that all investments constituting

Trust Property shall be held in safekeeping in the manner required by law, including, without limitation, Iowa Code Chapters 452 and 453, and such other law then in effect governing the investment of moneys of School Corporations.

11.4 Agents of Custodian. The Trustees may also authorize the Custodian to employ one or more agents from time to time to perform such of the acts and services of the Custodian and upon such terms and conditions, as may be agreed upon between the Custodian and such agent and approved by the Trustees; provided, however, that, in every case, such agent shall be a bank or trust company organized under the laws of the United States of America or one of the States thereof having capital and surplus aggregating at least \$25,000,000.

11.5 Successors. In the event that, at any time, the Custodian shall resign or shall be terminated pursuant to the provisions of the Custodian Agreement, the Trustees shall appoint a successor thereto.

11.6 Custodian as Depository for Participants. Each Participant hereby designates the Custodian as a depository for funds of the Participant.

ARTICLE XII

Recording of Declaration of Trust

12.1 Recording. This Declaration of Trust and any amendment thereto shall be filed, recorded or lodged as a document of public record in such place or places and with such official or officials as may be required by law or as the Trustees may deem desirable. Each amendment so filed, recorded or lodged shall be accompanied by a certificate signed and acknowledged by a Trustee stating that such action was duly taken in the manner provided for herein; and unless such amendment or such certificate sets forth some earlier or later time for the effectiveness of such amendment, such amendment shall be effective upon its filing. An amended Declaration of Trust, containing or restating the original Declaration and all amendments theretofore made, may be executed any time or from time to time by a majority of the Trustees and shall, upon filing, recording or lodging in the manner contemplated hereby, be conclusive evidence of all amendments contained therein and may thereafter be referred to in lieu of the original Declaration of Trust and the various amendments thereto. Notwithstanding the foregoing provisions of this Section 12.1, no filing or recordation pursuant to the terms of this Section 12.1 shall be a condition precedent to the effectiveness of this Declaration of Trust or any amendment hereto.

ARTICLE XIII

Amendment or Termination of Fund; Duration of Fund

13.1 Amendment or Termination.

(a) The provisions of this Declaration of Trust may be amended or altered (except as to the limitations on personal liability of the Participants and Trustees and the prohibition of assessments upon Participants), or the Trust may be terminated, at any meeting of the Participants or pursuant to any vote of the Participants called for that purpose, by the affirmative vote of a majority of the Participants entitled to vote, or, by an instrument or instruments in writing, without a meeting, signed by a majority of the Trustees and a majority of the Participants; provided, however, that the

Trustees may, from time to time by a two-thirds vote of the Trustees, and after fifteen (15) days' prior written notice to the Participants, amend or alter the provisions of this Declaration of Trust, without the vote or assent of the Participants, to the extent deemed by the Trustees in good faith to be necessary to conform this Declaration to the requirements of applicable laws or regulations or any interpretation thereof by a court or other governmental agency of competent jurisdiction, but the Trustees shall not be liable for failing so to do. Notwithstanding the foregoing, (i) no amendment may be made pursuant to this Section 13.1 which would change any rights with respect to any allocated Units of the Trust by reducing the amount payable thereon upon liquidation of the Trust or which would diminish or eliminate any voting rights of the Participants, except with the vote or written consent of two-thirds of the Participants entitled to vote thereon; and (ii) no amendment may be made which would cause any of the investment restrictions contained in Section 4.2 hereof to be less restrictive without the affirmative vote of a majority of the Participants entitled to vote thereon.

(b) Upon the termination of the Trust pursuant to this Section 13.1:

(i) The Trust shall carry on no business except for the purpose of winding up its affairs;

(ii) The Trustees shall proceed to wind up the affairs of the Trust and all of the powers of the Trustees under this Declaration of Trust shall continue until the affairs of the Trust shall have been wound up, including, without limitation, the power to fulfill or discharge the contracts of the Trust, collect its assets, sell, convey, assign, exchange, transfer or otherwise dispose of all or any part of the remaining Trust Property to one or more persons at public or private sale for consideration which may consist in whole or in part of cash, securities or other property of any kind, discharge or pay its liabilities, and do all other acts appropriate to liquidate its affairs; provided, however, that any sale, conveyance, assignment, exchange, transfer or other disposition of all or substantially all of the Trust Property shall require approval of the principal terms of the transaction and the nature and amount of the consideration by affirmative vote of not less than a majority of the Participants entitled to vote thereon; and

(iii) After paying or adequately providing for the payment of all liabilities, and upon receipt of such releases, indemnities and refunding agreements, as they deem necessary for their protection, the Trustees may distribute the remaining Trust Property, in cash or in kind or partly in each, among the Participants according to their respective proportionate allocation of Units.

(c) Upon termination of the Trust and distribution to the Participants as herein provided, a majority of the Trustees shall execute and lodge among the records of the Trust an instrument in writing setting forth the fact of such termination, and the Trustees shall thereupon be discharged from all further liabilities and duties hereunder, and the right, title and interest of all Participants shall cease and be cancelled and discharged.

(d) A certification in recordable form signed by a majority of the Trustees setting forth an amendment and reciting that it was duly adopted by the Participants or by the Trustees as aforesaid or a copy of the Declaration, as amended, in recordable form, and executed by a majority of the Trustees, shall be conclusive evidence of such amendment.

13.2 Power to Effect Reorganization. The Trustees may select, or direct the organization of, a corporation, association, trust or other Person with which the Trust may merge, or which shall take over the Trust Property and carry on the affairs of the Trust, and after receiving an affirmative

vote of not less than a majority of the Participants entitled to vote at any meeting of the Participants, the notice for which includes a statement of such proposed action, the Trustees may effect such merger or may sell, convey and transfer the Trust Property to any such corporation, association, trust or other Person in exchange for cash or units or securities thereof, or beneficial interest therein with the assumption by such transferee of the liabilities of the Trust; and thereupon the Trustees shall terminate the Trust and deliver such cash, units, securities or beneficial interest ratably among the participants of this Trust.

13.3 Duration. The Trust shall continue in existence in perpetuity, subject in all respects to the provisions of this Article XIII.

ARTICLE XIV

Miscellaneous

14.1 Governing Law. This Declaration of Trust is executed by the Initial Participants and delivered in the State of Iowa and with reference to the laws thereof, and the rights of all parties and the validity, construction and effect of every provision hereof shall be subject to and construed according to the laws of the State of Iowa.

14.2 Counterparts. This Declaration of Trust may be executed in several counterparts, each of which when so executed shall be deemed to be an original, and such counterparts, together, shall constitute but one and the same instrument, which shall be sufficiently evidenced by any such original counterpart.

14.3 Reliance by Third Parties. Any certificate executed by an individual who, according to the records of the Trust, or of any official or public body or office in which this Declaration of Trust may be recorded, appears to be a Trustee hereunder or the Secretary or the Treasurer of the Trust, certifying to: (i) the number or identity of Trustees or Participants; (ii) the due authorization of the execution of any instrument or writing; (iii) the form of any vote passed at a meeting of Trustees or Participants or taken pursuant to a vote of Participants; (iv) the fact that the number of Trustees or Participants present at any meeting or executing any written instrument satisfies the requirements of this Declaration of Trust; (v) the form of any Bylaw adopted by or the identity of any officers elected by the Trustees; or (vi) the existence of, any fact or facts which in any manner relate to the affairs of the Trust, shall be conclusive evidence as to the matters so certified in favor of any Person dealing with the Trustees or any of them or the Trust and the successors of such Person.

14.4 Provisions in Conflict with Law. The provisions of this Declaration of Trust are severable, and if the Trustees shall determine, with the advice of counsel, that any one or more of such provisions (the "Conflicting Provisions") are in conflict with applicable federal or Iowa laws, the Conflicting Provisions shall be deemed never to have constituted a part of this Declaration of Trust; provided, however, that such determination by the Trustees shall not affect or impair any of the remaining provisions of this Declaration of Trust or render invalid or improper any action taken or omitted (including, but not limited to, the election of Trustees) prior to such determination.

14.5 Gender; Section Headings.

(a) Words of the masculine gender shall mean and include correlative words of the feminine and neuter genders and words importing the singular number shall mean and include the plural number and vice versa.

(b) Any headings preceding the texts of the several Articles and Sections of this Declaration of Trust and any table of contents or marginal notes appended to copies hereof, shall be solely for convenience of reference and shall neither constitute a part of this Declaration of Trust nor affect its meaning, construction or effect.

14.6 Adoption by School Corporations Electing to Become Additional Participants; Resignation of Participants.

(a) Any School Corporation meeting the requirements of Section 1.2(a) and 8.1 hereof, may become a Participant of this Trust by (i) taking appropriate official action to adopt this Declaration of Trust, (ii) furnishing the Trustees with satisfactory evidence that such official action has been taken, and (iii), providing the Trustees such other documents, certificates, information, or opinions as may be required by the Trustees. This Declaration of Trust may be adopted by executing a written instrument of adoption in such form as may be prescribed by the Trustees. Delivering an acknowledged copy of such instrument to the Trustees shall constitute satisfactory evidence of the adoption contemplated by this Section 14.6.

(b) Eligible School Corporations include all school corporations now or hereafter organized under the laws of the State of Iowa that are members in good standing of the Iowa Association of School Boards, Inc.

(c) Any Participant may resign and withdraw from the Trust by sending a written notice to such effect to the Chairman of the Trust and the Administrator and by requesting the withdrawal of all funds then credited to its account within the Trust. The written notice shall be in the form of a certified resolution of the School Corporation of the Participant, stating the School Board's intention to resign from the Trust. Such resignation and withdrawal shall become effective upon the receipt thereof by the Chairman of the Trust and the Administrator. No resignation and withdrawal by a Participant shall operate to annul this Declaration of Trust or terminate the existence of the Trust.

IN WITNESS WHEREOF, the undersigned Officers certify that this amended Joint Powers Agreement and Declaration of Trust has been duly adopted by the Parties and the Trustees and the amendments thereto have been duly adopted by the Participants and the Trustees, and have executed this Amended Declaration of Trust as of the 1st day of May, 1993 as of which date this Amended Declaration of Trust shall take, and come into, full force and effect.
